

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST03486AT

This certificate issued to General Aerospace
932 Ponce de Leon Blvd
Coral Gables, FL 33134

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A16WE
Make : Boeing
Model : 737-200-300-400-500 Series

Description of Type Design Change:

This is an installation of a Honeywell ARINC 717 Flight Data Acquisition Management System (FDAMS) in accordance with General Aerospace Master Drawing List No. GA37-DFDAU-MDL01, Revision A, dated April 24, 2007 or later FAA approved revisions.

Limitations and Conditions :

This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : January 05, 2007

Date reissued :

Date of issuance : August 30, 2007

Date amended :

By direction of the Administrator
